

Car Show Definitions:

Best in Show:

- * Clean car, including tires, rims, engine compartment, interior, if showing off sound system in rear compartment must be clean.
- * No visible rust, dents, scratches
- * Listing of mods typed up on piece of paper and displayed
- * Free of check engine lights and mechanical issues
- * Owners vision matches goal: IE if building a rally car you wouldn't lower the car.
- * Body lines, hood, doors and trunk are required to fit and be mounted correctly
- * Factory or custom items must function properly, i.e.: turbo, supercharger & NOS
- * Tires should match

Most Furry:

*Furry everything: seat covers, steering wheel covers, plushies, seatbelt covers, gaming equipment, fun lighting, memes. Think of a con in a car.

Best Hoopy:

*often old and neglected and is in a barely functional state. Numerous slang terms are used to describe such cars, which vary by country and region, including *hoopy*, *jalopy*, *clunker*, *banger*, *bomb*, *beater*, *rust bucket*, or *wreck*:

Best SUV/ Truck: there will only be one chosen regardless of direction chosen with vehicle.

If an off road direction has been taken to the truck things that will be considered:

- * Off Roading tires.
- * Roll bars
- * Jacked up suspension
- * Loads of dirt
- * Winch/Towing
- * Snorkle
- * Lighting to include light bars for more utility purposes.
- * List of mods typed up on a sheet of paper and displayed
- * Tires should match

If a street direction has been taken to the truck things that will be considered:

- * Clean appearance inside and out
- * Clean Rims/Tires
- * Lighting to include underglows
- * Sound System
- * Custom paint
- * Low Ride/ bagged ride
- * Bed cover/Tourneau cover/rhino lined
- * List of mods typed up and displayed
- * Tires should match

Best Classic:

- * No visible rust, dents or scratches
- * As many original parts as possible
- * Original or Customer paint job must be even through out the car, not chipping or cracking
- * Factory or custom items must function properly, i.e.: turbo, supercharger & NOS
- * Tires should all match

Most Unique:

- * Unique in both looks and performance. Inside and out.
- * Something that hasn't been done to death.
- * Stands out

Most Modded:

- * Has the most non stock modifications: performance enhancements, paint, custom interior, rims, tires, subs, amps, radio, video,
- * list of mods typed up on piece of paper and displayed.
- * Custom items must function properly, i.e.: turbo, supercharger & NOS
- * Tires should match
